Dear Mr. Tamames III

The following facility has been recognized for the production and shipment of non-animal origin feed products intended for export to Turkey:

Special Nutrients AKA BYK Additives
2766 Douglas Road
Miami, FL 33133

This facility has been granted APHIS Reference Number: FL - NA0 - 0001 .

The feeds the facility exports to Turkey with this reference number must contain no ingredients derived in any part from animal-origin materials. This recognition may not be used for, or represented as valid for, any purpose other than the production or shipment of non-animal origin feed products to Turkey.

In order to retain this recognition, the facility must continue to operate under the information provided during the request process. The facility is subject to unannounced compliance inspections throughout the year to verify this continued compliance.

Lastly, I would like to remind you that the facility must complete the renewal process no later than May 3, 2017 . Please contact this office no later than one month prior to this date to initiate the renewal process.

Please let me know if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink, reading "C. Dix Harrell DVM". The signature is written in a cursive style with a large "C" and "H".
